Waste and Handling Containers

BRUTE® Containers

Industry leader in waste and materials handling applications.

- Strong, snap-on lids are available for secure, stable stacking.
- Double-ribbed base increases stability and dragging capacity.
- All-plastic, professional-grade construction will not rust, chip or peel; resists dents.
- Reinforced rims add strength and durability.
- Built-in handles allow easy, non-slip lifting and anti-jam nesting.
- Grey and white containers are food quality

Mega BRUTE® Mobile Waste Container

The Mega BRUTE® Mobile Waste Collector is a highly manoeuvrable and versatile waste collection and sorting system. Innovative design features deliver improved productivity and ease of use. Put Mega BRUTE® to work in your facility and see a significant improvement in productivity—carry larger loads, optimise waste sorting, reduce worker strain, and increase your bottom line. For smarter waste management, choose Mega BRUTE® Mobile Waste Collector. Holds a 250litre can liner and flips up for easy access to waste storage area.

STORAGE AREA

Ideal for storing extra can liners and other cleaning supplies. Optional lid fully covers waste and supplies the centre hinge allows access to either end of the Mega BRUTE®.

SORTING OPTIONS

Holds an optional 87litre Slim Jim® container for improved waste sorting and recycling.

HIGH CAPACITY

Carries up to 180kgs for a more efficient waste collection process.

MANOEUVRES EASILY large 305mm wheels and 125mm non-marking, lockable castors in a diamond pattern allow Mega BRUTE® to turn on its own axis. The narrow width (700mm) fits easily through standard doorways and small elevator doors. Rear doors ease handling of heavy filled liners.
