Industrial **FRP Stair Nosing**

P5

Ready to install, pre-finished stair nosing prevents slip accidents in the harshest of weather conditions. Manufactured from a composite fibreglass, the units are easily fitted over existing walkways to create a safer passage of travel for pedestrians. Can be cut down to size if required. Tested to comply with AS 4586:2013.

Custom Length

FRP stair nosing can be cut to length on request. Additional charges will apply.
